On Behalf Of:
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water
Measure, Appointment or HB4153
Topic:

I oppose this HB 4153 and believe it is bad for any small farm in our state. I frequently visit farm stands for fresh vegetables or eggs .

This bill would eliminate these providers of products I prefer to purchase. We do not need more regulatory interference of small landowners in Oregon. Please terminate this bill, not our farmstead.

Thank You,
Steve Parker
