

Submitter: Heather Burns

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

Please support #4153. Our farmers are struggling and with the economy and markets changing, and our inept idiot president screwing everything up with tariffs and general stupidity, it makes things very unpredictable. Our Oregon farmers need to be flexible and find a variety of income streams on their farms in order to stop Oregon from turning into the Midwest. We don't want giant corporate farms here.
