Dear House Committee on Rules,

I oppose HB 4147. The government is in a budget deficit. Creating more government is not the answer. Even what you are asking these new agencies to collect in data from employers could not be gathered. Federal law prohibits it. Additionally, the cost of these proposed agencies within this bill hasn't been determined or analyzed. How about we just audit every agency in the government and find the waste/fraud. Vote NO on HB 4147
