Measure, Appointment or Topic:	SB1539

I support SB 1539. There is currently no Veterinarian within 50 miles of my farm to conduct pregnancy testing and they will not come to the farm to conduct checks. So, I have to do my own pregnancy checking and I am not that good at it and would prefer to hire someone else to check my cows for me. But, currently there is no one licensed and willing to provide that service for me. Please pass SB 1539
