Dear Committee on Health Care,

I strongly oppose this bill. If you take the time to read all of the opposition (as you should), you will hear a strong stance against abortion (the killing of babies). That is what this bill is trying to do, kill babies. I would like to refer you to the Bible. In Galatians 6:7 - Do not be deceived, God is not mocked: for whatever a man sows, this he will also reap. I am praying for you that you make the right decision to vote no on this bill. I am not your judge, God is. But I do vote and November is coming.
