Measure, Appointment or Topic: SB1590

Dear Senate Committee on Natural Resources and Wildlife,  
I oppose this bill. As a life-long Oregonian, I have traveled all around the state and love the land diversity. We have a beautiful state. With that said, I think it is important to consider that the U.S. Constitution limits federal ownership of lands except for specific purposes. Currently the federal government is in violation of the Constitution holding too much Oregon land. Since the federal government will be selling it anyway, we should develop a plan to make sure it gets into the right hands that will benefit Oregonians.
