"To: State Treasurer Steiner,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Failure to act at this point will result in a number of preventable setbacks, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Your support of the Bay Area Hospital is needed now.

With regards,"
