Measure, Appointment or Topic: HB4123

Honorable Chair Pam Marsh and committee members,  
Thank you for this opportunity to provide testimony for HB 4123. I believe in aright to  
privacy, for all. This bill makes sure that renters have the same  
assurances of having their basic information kept private like any other person.  
Vulnerable peoples such as disabled and immigrants need protection from  
discrimination and coercion. When I see what has been happening in our  
country in the last year, immigrant people particularly need to be able to live without  
fear of arrest or deportation.

Thank you,

Katie Hynes-Petty
