RE: Testimony in Support of SB 1570-1  
To the Senate Health Care Committee:  
I am a social worker working in a healthcare clinic. I am in support of SB 1570-1.

ICE should not be allowed to roam free in our healthcare facilities and interfere with patient care, and staff who provide accurate resources for know your rights should not be retaliated against.

California's legislature approved many of these same measures last year, via SB 81, upon the advocacy of the California Immigrant Policy Center, the Latino Coalition for Healthy California, unions, and swaths of residents, immigrants and non-immigrants alike.

Thank you for the considering this testimony and I look forward to your support.
