

Submitter: Robert Keudell

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

The state of Oregon needs to protect and allow our local farmers to flourish. In order for Oregon farms to be successful, state officials need to put into place laws that encourage and protect community and on site farm relations. My children love visiting local farms and I want them to see where food comes from. Please do not put red tape and endless guidelines in front of farmers when their occupation is difficult enough to remain profitable and sustainable.

Thank you

Robert Keudell  
3rd generational farmer
