Committee:

House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or  
Topic: HB4153

I am a community in bandon , i frequent several small farms and in our small community local produce is much appreciated. There has to be middle ground for small local farms to operate alongside larger ones. In our rugged coastal mountains, there arent large plots of land for use like valley counties. Leave the local small pocket farms alone... we love them dearly
