HB4075

"Hello Treasurer Steiner and Legislators,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please support local healthcare access and act to save the Bay Area Hospital!
