HB4075

"Attn: Treasurer Steiner and Legislators,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

Failure to act at this point will result in a number of preventable setbacks, including an estimated 180 preventable deaths each year.

I'm hoping you will stand up in favor of the Bay Area Hospital.

Respectfully,"
