"Hello Treasurer Steiner and Legislators,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a ""type B"" hospital. This comes with a number of costs to wellness and the local economy, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

We're counting on you to help support the Bay Area Hospital!

From,"
