Measure, Appointment or Topic: SB1507

I oppose amendment 4 and 5 in the bill SB1507. We want Oregon to thrive and create new jobs not to make it more difficult for small and large businesses to reinvest our money to grow our companies. We are already stressed because high gas prices, expensive payroll taxes, expensive rent. Many businesses are leaving. More are planning on leaving. You are going to tax us out of existence. Please remove amendments 4 and 5 before moving forward. Our businesses need every advantage we can get. We need this federal tax break. We want our full tax deductions.
