

Submitter:	Darran Robinett
On Behalf Of:	Myself
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4114

This is a disgusting waste of Oregonian tax dollars. Instead of supporting the federal government who has all of our best interests in mind you constantly fight them and cause the Oregon tax payer unnecessary hardship. I politely request you deny this bill and allow the federal government to do their job keeping American citizens safe.
