

Submitter: Patricia Bozarth  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

I care about this because small farms are just as important as larger farms and need to have the same opportunities to sell their produce as larger farms.

This is an unfair bill because small acre farmers are just as legitimate as large acre farms as to defining farm use.

Respectfully,

Patricia Bozarth
