

Submitter: Lars Jefferson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

Good evening

This bill is a classic gut and stuff with weasel words to be abused later. It will only hurt our already struggling private sector. Oregon used to be 11th in the nation for running a business and now it's 35th. The government bureaucracy is too big and needs to be eliminated so the government needs to live within its existing means.
