

Submitter: Jacqueline Bernard

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1570

As a Neurologist in Portland Oregon, I support SB1570. We are seeing patients harmed when ICE threatens HIPPA in health care spaces. We need to do our jobs without fear of retaliation by ICE. Health care leaders have not been able to give us guidance. Their hands are tied. We need legislation to protect ALL, and we need it NOW. Enough harm has been done already.

Thank you
