Measure, Appointment or Topic: HB4075

"Attn: State Treasurer and Lawmakers,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Please support local healthcare access and act to save the Bay Area Hospital!

With regards,
