"Hello Oregon Leaders,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Your support of the Bay Area Hospital is needed now.

Respectfully,
