

Submitter:

Cheryl Trosper

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4138

Require ALL law enforcement officers operating in Oregon to visibly identify themselves, who they work for, and to unmask.

It will also build a firewall between state/local public employees and the federal government to protect our civil rights and liberties, including our due process rights. And LEAVA will draw clear lines between state/local and federal law enforcement operations, and provide for transparency when cooperation occurs.
