Measure, Appointment or Topic: HB4075

"Hello Oregon Leaders,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the loss of 97 full-time jobs and \$9.1 million in local wages.

Please support local healthcare access and act to save the Bay Area Hospital!

From,
