Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4123

Privacy protections are urgently needed in housing, where we all want and deserve to feel safe at home. Tenants need to know their private information is secure. And landlords will benefit from having a bright line in the statute that will provide legal clarity, consistency and certainty.

For all of these reasons, I urge your strong support of this bill.

Thank you for the opportunity to submit testimony and for your service to Oregon communities.
