Oregon wants to ban hunting and fishing... now it wants to stop you from buying local and supporting your neighbor?

You Filthy vile scum of the earth, we will drain the swamp of all you corrupted officials who try to spit on us Oregonians. The majority would never vote you into office or vote for any of these ridiculous measures or bills. Oregon elections and voting is as fraudulent as can be. You corrupt officials will pay the ultimate consequences for your actions by trying to strip humans of the right to simply exist, mark my words. Good will always prevail against evil forces.
