Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4114

Hello-

My name is Rob Faust and I live in Forest Grove, Oregon. I am in support of HB 4114 because there should not be gaps in our protections under the 4th Amendment right to unreasonable searches and seizures and we have the right to be secure in our own homes. I strongly believe that this measure will help protect Oregonians from unlawful searches by law enforcement if law enforcement now is subject to punitive damages for their rights violations. This bill is a simple gap closer and will benefit every Oregonian, regardless of political bias.

Please join me in supporting HB 4114!

Thank you-

Rob Faust
