

Submitter:

John Snelling

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Thank you for considering my testimony.

I support HB 4134. This small increase in room rates will help support natural resources and wildlife in Oregon. Most of increase will be paid by out of state tourism. Oregonians affected will not notice the increase, and if they do, will support it.
