

Submitter: Cole Hardwick  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

I'm really unsure why a bill like this would ever be presented at an option to vote on. I live in a small farming community. We have many farm stands from small farms that provide food for our community. Our country was founded with the principle to life, liberty and happiness. Being able to bring in a little money via farm stand is necessary for small townsteads or homesteads to continue this dream. Thank you for your consideration.
