Measure, Appointment or
Topic:

HB4153

I support the bill allowing farm stores. By including the farm store and other features, we are able to visit and support the farm when their crops are in or out of season. My favorite farm to take my kids to has a playground, a train, and a farm store with a covered spot to eat. It also has u-pick berries and pumpkins. Having all of these things on the farm allows us to enjoy more time outdoors while also being able to support the farm.
