Measure, Appointment or Topic: HB4153

My family has been going to places such as Topaz Farm, Bella Organic Farm, Sauvie Island Farm and others around the state for over 5 years.

These gathering places have allowed our child to learn about farm animals, interact with other kids their age and understand how farms work and their impact in our community.

I support this bill as a way to sustain these family run businesses to continue to be a safe gathering places for our communities.
