On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

I oppose SB 1507 and the creation of a statewide sales tax. I favor total elimination of state and local income taxes, not just a partial reduction in income taxes only to risk that income taxes are not just increased later in a few years when the overspending of our state government and local governments continues - state budget growing unsustainably in excess of inflation and population growth. Live Within Your Means as they currently exist. Stop trying to take the easy route and create new taxes and fees to feed your bloated bureaucracies.
