Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4035

Dear Members of the House Committee on Housing,

I am writing in support of HB 4035.

Oregon's housing shortage requires practical solutions. While SB 1537 aimed to encourage Urban Growth Boundary expansion, its rigid requirements made it difficult for many communities to participate. HB 4035 maintains a commitment to affordability while providing the flexibility cities need to move forward with housing development.

I urge you to support HB 4035 and help expand housing options for communities across Oregon.

Thank you for your consideration.

Sincerely,  
Kyra Pulley
