

Submitter: Nan Hammons

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

Limiting who is allowed to sell their produce is penalizing the small farmer. Big companies rule in most areas, but this one should be left as it is. Clean locally grown food, community spirit and fairness between people is beneficial to all life. Please dont allow the rich to get even richer at as high a cost as I can think of. Do the right thing for all. Thank you if you do.
