RE: HB 4131, relating to mobile pharmacies

Chair Nosse and Members of the Committee:

The Hospital Association of Oregon represents Oregon's 60 hospitals. HAO supports HB 4131, which directs the State Board of Pharmacy to conduct rulemaking to create a mobile pharmacy license that critical access pharmacies, hospitals, federally qualified health centers, or counties may apply for. We appreciate that Rep. Hai Pham and the Oregon Primary Care Association brought forward this legislation and engaged with the hospital association.

Establishing a licensure program for mobile pharmacies is an innovative policy idea to address pharmacy deserts by bringing essential medications directly to people in the time and place that supports their needs. We support including hospitals as qualified entities to operate a mobile pharmacy in Oregon.

Sincerely,

Travis Meuwissen
Director of Government Affairs
Hospital Association of Oregon
