Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1539

I am NEUTRAL on [SB 1539].

[SB 1539] needs more work to appease the concerns of; Ranchers-the lack of large animal Veterinarians in their geographical areas and excessively high-fees for service and the Veterinarians who fear for animal safety (albeit I believe their fear is more aligned with their pocket books).

Well-trained and licensed 'Veterinarian Technicians' under the supervision of Licensed Veterinarians, will alleviate the sparsity issue, lower fees and addresses the access to and the proper administration of pharmaceuticals. Untrained persons, have 'No business' to address the issues at bar.

Mr. Oregon Concurs.
