

Submitter: Brian Peterson  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4035

I am a homeowner and multi year construction manager in Jackson county Oregon. I have seen massive over reach and legislative red tape that has made homeownership in Oregon unreachable for hard working families that deserve the opportunity to achieve the American dream. Due to the confined urban growth boundary restrictions, new housing is at a crisis level of demand matched with a dwindling supply I have affordable homes. Please invest in our building community by cutting the red tape and expanding the urban growth boundary regulations
