

Submitter: Alex Crawford

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

I oppose this as it is too expensive for the state and provide less public land for our amazing citizens. Between the president trying to sell our beautiful national parks and the increase of dangerous data centers, we do not need to destroy the environment. Oregon prides itself on our lush forest, keep them for generations to come.
