I strongly OPPOSED proposed SB 1507 that would strip Oregonians of their rights under the Federal Bill to reduce taxes on hardworking families in our nation.

Oregon SB 1507 seeks to disconnect state tax code from new federal tax code passed and signed into law in 2025 while increasing taxes on seniors, people with disabilities, hardworking families, and others through a sales tax. Oregon has said "no" to a sales tax many times, and then Governor Kate Brown forced a sales tax on Oregonians through the Corporate Activity Tax (CAT). Time for common sense policy making that works for Oregonians and not just the politicians.

Rebuilt trust in Oregon government by voting NO on SB 1507.
