HB4138

Honorable Co-chairs Kropf and Chotzen, Members of the House Committee on Judiciary,

Thank you for the opportunity to testify in support of HB 4138. Honestly, masking as a part of federal agent routine procedure? What image do the top officials in Homeland Security have of us citizens and residents? What image do they have of themselves?

I support HB 4138 because it requires that law enforcement professionals show basic respect for people they engage inside the boundaries of our state. Furthermore, it provides a process for redress when officers do not perform at the minimum standard.

Please vote yes.

Thank you.
