Measure, Appointment or Topic:

HB4138

I am an Oregon resident of House District 28 and Senate District 14. I strongly support HB 4138 that requires federal agents to be unmasked and display identification. This promotes accountability and transparency, reduces the risk of impersonation and increases public trust and safety. I urge you to resist amendments that water down or provide potentially dangerous exceptions and vote yes on HB 4138. Thank you for your hard work.
