Elaine Redner

On Behalf Of:

Committee:

House Committee On Health Care

Measure, Appointment or Topic:

HB4127

Honorable servants of our state~

I am writing on opposition to this bill. First and foremost this is NOT an emergency. Secondly - this is in direct violation of federal mandates. Right or wrong - all Oregonians who have lived here for generations will suffer if you keep violating federal law and losing federal dollars. This is NOT our choice.

Please vote NO and protect Oregonian citizens and American Citizens first.
