Measure, Appointment or Topic:

HB4111

I am a resident of House District 28 and Senate District 14. I strongly support HB 4111 that limits the admissibility of immigration status in civil proceedings that may be used to intimidate and silent witnesses and parties. It also provides important workplace & tenant protections against retaliation and intimidation and protections against law enforcement profiling. This legislation is an essential step toward ensuring a fair and just legal system in Oregon. Thank you for the work you do for all Oregonians. Please vote yes on HB 4111.
