

Submitter:

Ruppert Reinstadler

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4114

This just another blatant attempt to promote non-citizens over citizens. Please just let our feds do what Congress passed into law and stop this chaos in the streets. Our state and local leaders just continue to support the chaos and this bill is another form or method to make people continue this misbehavior.
