

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 4091  
Committee: House Committee On Emergency Management and Veterans  
Measure, Appointment or Topic: HB4091

I OPPOSE [HB 4091].

From the Text of [HB 4091],

"...(3) Neither the Governor, the Adjutant General nor any officer or employee of state government, as defined in ORS 174.111, may facilitate, assist or coordinate in the mobilization of a service member or unit of the Oregon National Guard that is called into active service if the active service is for law enforcement duties or immigration enforcement duties. For purposes of this subsection, "immigration enforcement duties" does not include support, logistics or surveillance duties that are part of a border security operation."

C'mon Legislature, the President can order the Military, the Oregon National Guard or any and all states to put the seditious State of Oregon into submission.

Cry all you want-you boohoo bit\*\*es, Illegal Aliens are going home.

Those that inhibit the Federal Processes used for Illegal Alien detentions and removals; be it Federalized Oregon National Guard, the United States Military or other Federalized State National Guards or any and all Federal Agents will be going to Jail and face draconian fines.

David S. Wall  
Mr. Oregon Concurs and says, "Obey the Federal Government or lose your freedom and your money."
