

Submitter: Patty Toland

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4123

4123 please support tenant privacy HB 4123

My personal experience is that when you rent your data becomes publicly available, putting me at risk for anyone who has access to my data.

This is also very unfair for those who have been victims of sexual predators and can be researched and found. Or those who have been victims of trafficking, they can be researched and found again.

Please choose to protect renters rights of privacy

Patty Toland
