

Submitter: David Wall  
On Behalf Of: Mr Oregon SUPPORTS HB 4069  
Committee: House Committee On Behavioral Health  
Measure, Appointment or Topic: HB4069

I SUPPORT [HB 4069].

"Safety Plans" should be an integral part of Licensure to begin with.

Peron(s) responsible at the Oregon Health Authority needs to be "Fired" from his or her job(s).
