HB4134

I am an Oregon resident of House District 28 and Senate District 14. I strongly support HB 4134 and amendment -1 to increase the state transient lodging tax 1.5% that would be dedicated to protecting Oregon's wildlife and ecosystems. This funding is vital to protecting what makes Oregon special and attractive to visitors, a major support for our economy, and to residents' health and wellbeing. The federal government is destroying the policies and programs that protect our environment and health of our citizens. Oregon has been and will be a powerful example and a leader in protecting vulnerable wildlife habitats when this bill is passed. Please vote yes on HB 4134. Thank you for your hard work for all Oregonians.
