Measure, Appointment or Topic: HB4153

Chair and Members of the Committee, I support HB 4153 because it helps keep Oregon farms accessible, viable, and connected to the communities they serve. Being able to visit farms, attend pumpkin patches, and take part in on-farm activities is a meaningful tradition for Oregon families and a big part of what makes our state special. These experiences support local farmers while giving families a chance to connect with where their food comes from. HB 4153 provides common-sense clarity that protects agriculture, strengthens rural economies, and preserves the farm experiences Oregonians value. I respectfully urge a yes vote.
