Chair Nathanson and committee members,  
I am a 5th generation Oregonian and support this bill. Our state is nothing without our wildlife, wild areas and recreation derived from these. I support whole heartly increasing the transient lodging tax to help fund wildlife efforts. This is why most people.come.to.visit and it makes sence to add a fee to help maintain this. There is no world on which people will stop coming simply due to this increase in lodging tax and as far as I can see there is NO reason to not support this bill. Thank you for your time and all that you do for the state that we all Love! Be well, be happy and may you all be peaceful

Sincerely, Julie Chapman
