On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Chairman Nathanson and committee members- I am in support of HB 4134. Our wildlife is the magic that is this world. It is so much more vital than we realize in our busy lives, but we cannot forgot it. This legislature would help serve our beloved wildlife as we, stewards of this state, are meant to. Please support this measure.
